CW NOTES

Want to try your hand at CW? There is practice group run by Dick (WA2HNA) at 7:30 most nights. They try to meet on Simplex 146.580 first and then branch off depending on your speed. Someone will always be on 21.125 most nights. Come join the fun. Also you can check out 147.115 at 7:30 Wednesday nights. They do a half hour story by cw.`

New Repeater

By now most every one knows we have a new repeater on line. Thanks to Bruce (WA2TMC) the repeater is up and running and working great. We are even able to talk with a handheld from Middleport. So far we know it can go past Webster to the East, Arcade to the south, and into Buffalo and Niagara Falls to the West. and it has been receiving calls from Ajax east of Toronto. It is working just great. Please don't forget it does have a Tone on it of 141.3 and will stay on. It is a Yaesu R7000a repeater.

Also a big thank you to Paul and Pat. Hope to have it working for years to come.
